Sir:

Pursuant to 37 CFR 1.56, the attention of the Patent and Trademark Office is hereby directed to the references listed on the attached PTO-1449. As this application is being filed after June 30, 2003, no copy of the U.S. patent is attached; however, a copy of the German reference is attached. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom. Applicants respectfully request the Examiner return an initialed copy of the enclosed Form PTO-1449 to Applicants with the next Office communication to indicate that the references has been considered, per MPEP § 609.

This Information Disclosure Statement is being filed with the National Stage application. No certification or fee is required.

These references were cited in a Finnish-language Search Report and an English-language Written Opinion in the corresponding PCT application. An English Abstract has been provided for the German language reference and is relied upon for a statement of relevance for that reference.

Respectfully Submitted,

Christine H. McCarthy
